2018 GREAT WALL MARATHON TERMS AND CONDITIONS.

Eligibility: Full Marathon entrants must be at least 18 years of age on race day. ½ Marathon participants must be at least 16 years of age on race day. 8.5K Fun Run participants (running independently) must be at least 12 years of age on race day. Fun Run participants under the age of 12 must be accompanied by an adult.

Travel Documents. Travel documents, other than the booking confirmation, will be forwarded to participants a few weeks before the marathon. Additional travel documents could include vouchers and itinerary that indicates the services you have ordered at your destination. If you are participating in a tour with a guide or in an event described in our program, you will normally not be given a voucher beforehand.

Passport and Visa. Unless otherwise specified, obtaining the required passport and visa for travelling is the responsibility of the traveller. Canadian citizens require a passport that is valid for at least 6 months past your return date to Canada. Canadians Citizens require a valid China Visitors Visa, which can be obtained within 3 months of your departure date. The traveller must ensure he/she has a valid passport and visa and give the travel agency correct information regarding name and nationality, etc. We draw your attention to the fact that the processing of visa to China may take several weeks. The travel agency cannot be held responsible for travellers who, for whatever reason, may be denied entry at a border. Furthermore, the travel agency cannot be held responsible for denial of visa prior to departure. Please be aware that rules and regulations may change between booking and departure.

Vaccination requirements. These should be obtained from the customer's own physician. If the travel agency gives information about vaccination and/or prophylactic measures or other medical subjects, this should be considered as a service that is under no medical liability. The customer must be able to document the fulfillment of vaccination requirements by presentation of the yellow International Certificate of Vaccination. Therefore, please be advised that vaccination requirements are the customer's responsibility.

Participation at own risk. By submitting the registration/booking form, you accept that participation in the marathon and/or the tour is at your own risk and entirely your own responsibility. You accept that you cannot claim any damages, indemnification or any other compensation for personal injury, damage to property or any other loss, including any indirect loss in connection with participation in the marathon, from the travel agency, unless you are subjected to injury or loss due to gross negligence on the part of the travel agency. Furthermore, the travel agency cannot be held liable for negligence displayed by independently participating third parties or local authorities prior to, during or after the marathon event. If you are injured in any way due to participation in the marathon event and you are unable to go through with your stay in the country in which the marathon event takes place, you are also prevented from claiming damages, indemnification or any kind of compensation.

Changes in prices. In accordance with legislation, tour operators may raise the agreed upon price as a result of increased transport costs (including rising fuel prices), altered taxes, tariffs and fees, as well as fluctuating exchange rates. Unfortunately, many sudden price increases occur as a result of fuel surcharges, increased safety taxes or other taxes. Price increases will take place according to the following principles: Tariffs and taxes will be increased with the exact amount if this exceeds USD 25.00. Alterations in currency rates with more than 5% or less than 10% in relation to the list price when published. The alteration in price will only include costs regarding the relevant currency and not the entire cost of the package.

Travel Insurance. All travellers must be suitably insured. This is of paramount importance regarding transport in case of illness as well as home transportation, etc. when you are on tours abroad as your public health insurance normally does not cover this. All travellers are responsible for having appropriate insurance cover themselves. Participation on a trip presumes responsible and considerate behaviour, and you are expected to comply with the directions of the travel agency and its representatives. It is not advised that travellers venture alone into unknown and remote areas especially after nightfall. If you wish to be independent, this should always be in consultation with the agency or its local representatives.

Cancellation Penalty. All money paid to Marlin Travel is non-refundable, no exceptions for any reason. We offer and recommend you purchase Cancellation Insurance to cover you for this non-refundable amount.
