

# Top 10 reasons why you should purchase Transat Travel Insurance

- Your baggage is lost or delayed... it's always a possibility.

---
- You have to cancel your trip because of an accident, illness to you, a family member or travel companion...this is a covered risk.

---
- You get sick or have an accident while travelling. Even minor stomach problems and unexpected falls can add up... and we're here to help you get the help you need.

---
- You missed your flight or connection due to something beyond your control... we'll help catch you up.

---
- You need to return home early. It happens... we can help with that and the costs.

---
- It's not an emergency, but you want some travel tips, restaurant recommendations or business services... our Concierge Club Plan can help you out.

---
- Insurance for car rental damage can be expensive... but you'll be covered before you go.

---
- The Canadian Government issues a new formal warning about your travel destination... you may be reimbursed.

---
- Your airline, cruise line or tour operator goes out of business or on strike... you may be protected.

---
- You can relax and enjoy your trip
