Vernon, France

Day 1 Paris

Welcome to Paris, the enchanting capital of France. Upon arrival, you'll be met at the airport and transferred to your contemporary Emerald Star-Ship, Emerald Lumi. A late departure gives you time to explore the City of Light after the sun goes down. Later, Emerald Lumi will depart Paris and cruise to Vernon during the night.

Meals: Dinner

Day 2 Vernon

Wake up in Vernon, a well-preserved medieval town that hugs the southern bank of the river. Most travellers see Vernon as simply the gateway to Giverny, home of the famed Impressionist painter Monet for more than 40 years. But it has many charms of its own, including several antique and vintage stores, beautiful architecture and a striking Gothic church. Today, take a tour of Giverny Gardens, Monet's home until his death in 1926. Walk through the rooms where he lived and worked, and the restored, elaborate gardens, which inspired some of his most iconic pieces. This evening, join your fellow guests for a welcome dinner on board.

Day 3 Rouen

Welcome to Rouen, a beautiful city set along the banks of the Seine and steeped in history and heritage, from Vikings and saints to renowned artists. It is forever linked with French national icon Joan of Arc – it was here that the young heroine was tried for heresy and burnt at the stake. Rouen is also famed for its Gothic Notre-Dame Cathedral, the tallest in France, whose stunning façade was immortalised multiple times in paintings by Monet.

Today you'll join a guided walk through Rouen's medieval centre. Learn how this former Roman settlement emerged as a major stronghold of Viking invaders during the ninth century.

EmeraldPLUS: World War II lecture on board

Day 4 Honfleur

Your ship will cruise right into the centre of Honfleur, docking in the heart of this charming port city that sits on the southern coast of the English Channel. The harbour is lined with colourful half-timbered houses, and its rugged charm captures the essence of traditional Normandy. Today, join a remarkable full-day experience and war-themed tour, focused on a highly significant time in World War II. The pivotal D-Day Landings in 1944 opened a crucial Western Front and accelerated the defeat of Nazi Germany. You will remain docked in Honfleur overnight, allowing you to explore the town after dark at your leisure.

Admire the Norman homes, Saint Jacques hospital and the hilltop Château Gaillard, a medieval fortress built by Richard the Lionheart. The old town is compact and easy to explore on foot from where your Emerald Star-Ship is docked, with cobbled streets and traditional architecture that will take you back through the centuries.

The imposing silhouette of the Château de La Roche-Guyon looks over the town and has breathtaking 360-degree views over the river and countryside, which is just a short walk away. It is a beautifully preserved estate steeped in centuries of history. Built as a fortified castle in the 14th century, the Château majestically stands as a testament to French architectural heritage.
