WAYS TO TRAVEL

No two travellers are the same, which is why we offer 8 travel styles for your loved one to choose from.

Whatever they're after, we have a trip to suit their unique style.

WAYS TO STAY

From all-hotel stay trips to more budget friendly options that mix hotels, hostels & exclusive Contiki-owned Special Stopovers & Cabins, your loved one will rest easy knowing that all the accommodations are already sorted.

INCLUSIONS

Contiki offers more inclusions than anyone else in the biz. It's our mission to show travellers all the must-sees, so they're included in our trip price. We even include some Contiki-only exclusives (like skipping the line at the Vatican).

ME TIME

We guide your loved one every step of the way, but if they want free time to do their own thing, that's fine too. The only thing fixed are the places we visit. We call it ME Time. If they want to chill out or explore on their own, they can do just that.

TEAM

Our crew gets put through a 66-day training (the hardest in the biz), knows each destination, and is passionate about travel. Your loved one will have a dedicated Trip Manager and Driver who will know every single detail of each destination.

FOOD

Our travellers will see and taste each and every destination they visit. From Italian classics in Europe to fresh curries in Asia, outback cookouts in Australia, and traditional BBQ in Brazil, we indulge the foodie within.
