IMPORTANT TOUR AND RESERVATION INFORMATION

Itinerary: It is our goal to operate the tour as described in this brochure. Myles Travel Plus reserves the right to alter the itinerary if necessary. We have made arrangements with other independent parties and cannot be held responsible for their acts or omissions.

Accommodation: Hotel phone numbers and pick-up details will be communicated approximately 2-3 weeks prior to departure. When completing the registration, please specify the type of accommodation that you require and ensure the correct price is entered. Room-service, in-room movies and snacks as well as telephone charges must be paid for by the user. Any damage done to public or private property while on the tour will be the responsibility of the person who causes the damage. Laundry facilities are available at many of the hotels.

Airline Baggage Information: Luggage size and weight must meet airline regulations. Each person is permitted one full-size piece (included in the tour price), and one carry-on piece. For tours which include luggage handling (see inclusions in trip descriptions), one piece only, is covered.

Coach Seating: Luxury washroom-equipped motorcoaches will be rented from local companies for each tour. Call for details if you wish to know the specific company for each trip. A rotational seating policy will be in effect to ensure equity for all passengers throughout the trip.

Tipping: When meals are provided, the gratuity is included, unless specified. Although tips for step-on-guides and the bus driver are customary, they are not included in the tour price and will be left to the discretion of each passenger. Please ask your tour escort for recommended amounts.

What to bring: Weather conditions are unpredictable, especially near water. It is a good idea to bring a sweatshirt, a rain repellent jacket and a compact umbrella. Besides a camera, a set of binoculars may be useful for some destinations, and a bathing suit, since some hotels have pools.

Passports/Border Crossing: For all international destinations, please ensure your passport is valid for the appropriate length of time after the trip dates (usually 3-6 months, depending on the destination). The following regulations apply for travel into the United States. All Canadian citizens entering the U.S. by land or air, must have a passport. Non-citizen residents of Canada, or visitors to Canada, are required to have either a Permanent Resident Card, or to obtain a temporary entry visa prior to the trip. This will help to avoid any time-consuming delays at the border.

Domestic Air Travel: A valid passport or driver's license with photo I.D. is acceptable for use by a Canadian citizen travelling by air within Canada. Please note that the I.D. used at the airport must match the information given to Myles Travel Plus (entered on the registration form).

Conditions of Travel: It is expected that all passengers are able to operate independently or be accompanied by a qualified assistant. Smoking and use of alcohol are not permitted on any motorcoach. Myles Travel Plus reserves the right to terminate the trip of any member whose conduct is detrimental to the well-being of other passengers. In such a case no refund will be given, and the return fare will be at the person's expense.

Insurance: Myles Plus Travel recommends the purchase of trip cancellation insurance as well as out-of-country or out-of-province health insurance. On the registration form, indicate your interest in purchasing such insurance and an agent will call to give you a quote.

Tour Cancellation/Cut-off Date: Myles Travel Plus reserves the right to cancel any tour no later than 30 days before departure, and it will have no other responsibility beyond refunding all fares paid to it by passengers. The cut-off date for joining each tour is stated in the brochure. A deposit is required to hold space, and bookings are made on a first-come basis. Please book early to avoid disappointment.

Exchange Rates: Ontario law permits Myles Travel Plus to add up to a 7% surcharge to the stated tour price, in order to cover further devaluation of the Canadian dollar (or additional tariffs/taxes/levies), from the time the brochure is written. In such a case the customer will be informed before the final payment date so he/she can decide whether to remain on the tour. If a customer wishes to drop out at that point, a full refund of all payments made will be given, less any non-refundable trip related expenses paid by Myles Travel up to that point.

Payment Policy: A deposit is required at the time of booking, along with a completed registration form. Check the deposit due date/amount for each tour and for the final payment due date. **Please make all cheques payable to "Myles Travel"**. A 3% surcharge for use of credit cards will be levied.

Cancellation Policy: In the case of cancellation, the following conditions will apply: 1. Excluding the above exchange rate provisions, deposits are fully refundable up to and including the deposit due date for each trip. From the deposit due date to the final payment date, deposits are non-refundable. 2. Once final payment has been made (no later than the final payment due date), no refunds will be given.
