## 2022 ESCORTED TOURS

**INTRODUCTION:** Needless to say, the pandemic of the past two years has impacted the entire world. These unprecedented times have been challenging on many levels, including the limits placed on our ability to travel freely and safely. On a positive note, perhaps we have been reminded of the pleasure found in simple activities such as going for a walk and talking with our “socially distanced” neighbours. For most of us however, there remains a deep-rooted desire to explore new places. Now, with rising vaccination rates and clearly defined rules in place, people are beginning to act on that desire. Although personal comfort levels will vary, interest in travel is definitely on the rise. From our perspective as trip organizers, the challenges of planning tours have definitely increased. All potential destinations must be vetted with safety considerations and government regulations in mind. For these reasons, Canada will be our primary focus in 2022. Our first trip will be to Nova Scotia in late June, with a resort stay in Cape Breton, a drive around the scenic Cabot Trail and a three night-stay in Halifax, featuring the world-famous Nova Scotia International Tattoo and Canada Day celebrations. Our annual nine-day trek to Newfoundland in early July (for the 21<sup>st</sup> time), features three boat tours, local entertainment, great food and beautiful scenery. We are also excited to offer (for the first time), an eight-day “Newfoundland Revisited” tour in late August. Although it excludes the Western Peninsula, it does feature several Gros Morne National Park highlights and includes a day-trip to Fogo Island with a local guide. We hope this trip appeals to those who wish to return to NL for something a bit different. Our exception to Canadian destinations will be a thirteen-day tour of Portugal, beginning in late September. It includes ten UNESCO World Heritage Sites, picturesque scenery and mouth-watering cuisine. All prices are in Canadian dollars and include HST on Canadian trips, while tours outside the country are tax exempt. Included meals are denoted with a letter at the end of each day’s description (B/L/D). ***Please adhere to the deposit and cut-off dates listed (these are mandated by suppliers), and use a separate registration form for each tour you join.*** Each trip is carefully planned with all the important details looked after; all you need to do is relax and enjoy yourself. We hope to have the pleasure of travelling with you in the near future! **Earl Clint: Tour Coordinator**

### **CAPE BRETON, THE TATTOO & CANADA DAY IN HALIFAX: June 27 - July 2, 2022**

**Escorts: Earl Clint & John Swatridge**

**June 27** Our morning flight departs from Pearson in Toronto. Upon arrival in Halifax, we will drive north to Cape Breton and check into an historic lodge on the shores of Bras d’Or Lake. (-/-/D) **Accommodation:** Inverary Resort, Baddeck, NS (2 nights).

**June 28** Today we will drive the world-famous Cabot Trail with several stops to take in the panoramic views of the rugged coastline within Cape Breton Highlands National Park. We return to the hotel for some free time to wander the lakefront grounds before dinner. Some local music will be provided in the evening. (B/L/D)

**June 29** This morning we will visit the Alexander Graham Bell Museum, where you will no doubt be impressed by the scope of his inventions. Bell spent his summers here because it reminded him of his native Scotland. We will then enjoy a scenic drive to Halifax with a few stops along the way. (B/-/-) **Accommodation:** Hampton Inn, Halifax-Downtown (3 nights).

**June 30** After breakfast, a local guide will take us on a tour of the city, including various points of interest. We will then drive to picturesque Peggy’s Cove for lunch and some free time to explore this charming village. Upon our return to the city, we will enjoy a memorable performance of the Royal Nova Scotia International Tattoo. Arguably Canada’s best kept entertainment secret, it has been referred to as “a circus with bagpipes”. (B/L/-)

**July 1** Enjoy free time to explore the city on Canada Day! Options include watching a parade, featuring participants of the Tattoo and which concludes right outside our hotel. Nearby is the historic Citadel which has free admission and spectacular views of the city and harbour. Enjoy wandering along the waterfront which features buskers, live music and free entry to naval ships and special attractions. You may also choose to take a fun-filled tour of Alexander Keith’s original brewery, founded in 1820 (a group tour may be arranged if there is sufficient interest). Nearby is the Maritime Museum of the Atlantic which houses exhibits explaining the city’s great explosion and fire of 1917, as well as relics from the Titanic. Although there are many choices throughout the day, we can all celebrate Canada’s 155<sup>th</sup> birthday together in the evening, by watching the sky erupt in a blaze of colourful fireworks. (B/-/-)

**July 2** Today we will visit the newly renovated Pier 21 Immigration Museum which tells the story of immigrants who entered at this very place and who have contributed to making Canada one of the world’s most desired places to live. There will also be time to stroll through the adjacent Halifax Seaport Farmers’ Market for a snack and some last-minute shopping, before we are transferred to the airport for our return flight. (B/-/-)

## **NEWFOUNDLAND: July 7-15, 2022 Escorts: Earl Clint & John Swatridge**

**July 7** We depart Toronto on a morning flight, bound for Deer Lake. Upon arrival, we will drive to Corner Brook, the province's second largest city and take in the scenic view from Captain Cook's Lookout, before checking into our historic hotel. **(-/-/D)**

**Accommodation:** The Glynmill Inn, Corner Brook.

**July 8** In Woody Point we will learn about the geology of the Tablelands, part of Gros Morne National Park. When the continents collided, rocks which were beneath the ocean were pushed upwards to their present position above sea level. A boat tour on Bonne Bay will provide closer views of the steep cliffs and possible sightings of eagles and whales. Enjoy dinner and a live show at our hotel tonight. **(B/L/D)** **Accommodation:** Shallow Bay Motel, Cow Head.

**July 9** Today we visit L'Anse aux Meadows, a United Nations World Heritage Site, where Vikings settled over one thousand years ago. In St. Anthony we will board a vessel to learn about the delicate marine ecology and to perhaps see both whales and icebergs. These imposing blocks of ice which have broken off the continental glaciers, have drifted south propelled by the Labrador Current. Amazingly, 90% of the ice is below the surface of the water. Note: If conditions are not favourable, another boat tour may be arranged in Twillingate. **(B/L/-)** **Accommodation:** Haven Inn, St. Anthony.

**July 10** Our day begins with a visit to a museum honouring Sir Wilfred Grenfell, a medical missionary who devoted his life's work to the people of Northern Newfoundland and Labrador. We then begin our southward journey, viewing the rugged coastal scenery with a few stops along the way. Local entertainment will be provided by our hotel after dinner this evening. **(B/-/D)** **Accommodation:** Mount Peyton Hotel, Grand Falls-Windsor.

**July 11** Today at Boyd's Cove Beothuk Interpretation Site, we will learn about the Indigenous Peoples who once lived here, then have a picnic lunch on the grounds (weather permitting). At the Prime Berth Fishing Exhibit, we will come to better understand the traditional way of life in the province's rural outports. In Twillingate, options include a boat tour (see above), or a winery visit. After a drive to the local lighthouse, perched on rugged cliffs, we will enjoy food, music, and humour at the Twillingate Dinner Theatre. **(B/-/D)** **Accommodation:** Anchor Inn, Alphabet Fleet Inn and others in Twillingate.

**July 12** Our first stop today will be at the North Atlantic Aviation Museum in Gander. The city has a proud history connected to trans-Atlantic aviation crossings, and the airport played a crucial role on Sept. 11, 2001. We then drive to the Ryan Premises in Bonavista to visit a historic fish merchant operation, then to the famous lighthouse near the spot where John Cabot landed in 1497. This evening we will experience a traditional "Screech-In", in which participants are inducted into the ranks of "Honourary Newfoundlanders". **(B/-/D)** **Accommodation:** The Clarendville Inn, Clarendville.

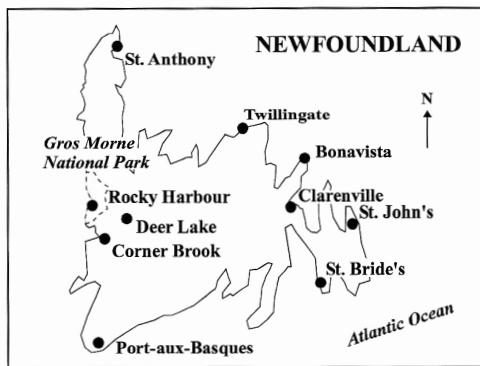

**July 13** Our main focus today is Cape St. Mary's Ecological Reserve at the southern tip of the Avalon Peninsula (conditions permitting), one of the continent's largest bird colonies. Watch in amazement as thousands of seabirds take flight all around us, including gannets, kittiwakes and murres. This evening you can relax at the hotel or head downtown to enjoy some traditional music at one of the numerous establishments on George Street. **(B/L/-)** **Accommodation:** Holiday Inn, St. John's (2 nights).

**July 14** We begin the day with a guided tour of St. John's including Signal Hill, Quidi Vidi Village and many other historic sites. After some free-time downtown, we head to Bay Bulls for a boat tour of Witless Bay Ecological Reserve, home to puffins and other seabirds, as well as humpback whales. Prepare to be amazed if one of these giants swim close to our boat. This evening we will enjoy good food, comedy and song, at a "Spirit of Newfoundland" production. **(B/-/D)**

**July 15** This morning we will visit the Johnson Geo Centre which is built into Signal Hill. Here you can relive the Titanic story in a detailed permanent gallery, see displays which explain how the offshore Hibernia oil reserves are recovered and view exhibits on the province's unique geology. After some free time for lunch downtown, we will visit Petty Harbour and Cape Spear, the most easterly point in North America, before transferring to the airport for our return flight. **(B/-/-)**

**August 25** This morning we will take in the view from Signal Hill and then be given a few options. You can either visit the Johnson Geo Centre (see description above) or The Rooms, Newfoundland and Labrador's largest public cultural space, where the province's history, heritage and art are on display and explained. After some free-time for lunch downtown, we head to Bay Bulls for a boat tour featuring rugged coastal scenery and Witless Bay Ecological Reserve, home to puffins and other seabirds. This evening we will enjoy great food, music and humour at a "Spirit of Newfoundland" dinner theatre production. **(B/-/D)**

**August 26** Today we will enjoy a scenic drive through various coastal towns including Harbour Grace, Carbonear, Heart's Content, Heart's Desire and Heart's Delight, with a few interesting stops along the way. **August 27** Our first stop is the historic town of Trinity which contains a number of buildings recognized by the Heritage Foundation of Newfoundland and Labrador. Discovered in 1501 by the Portuguese, it was used as a summer fishing port by the British and later, a permanent settlement was established in the early 1700's. This scenic location has been featured in several documentaries and movies including "The Shipping News" and "Random Passage". After a walking tour, some free time will be given for lunch. We then visit Elliston, the "Root Cellar Capital of the World" and the closest place to view puffins on land anywhere in the world. **(B/-/D) Accommodation:** Sinbad's Hotel, Gander (2 nights).

**August 28** This morning we head to Farewell where we will board a ferry to Fogo Island. Here we will be met by a local guide who will take us on a scenic tour including several points of interest such as Brimstone Head, a piece of rocky landscape jutting into the sky. According to the "Flat Earth Society", this is one of the four corners of the earth! We will stop at the award-winning Fogo Island Inn, a sleek, Nordic-style hotel perched on stilts at the ocean's edge and also visit the town of Tilting, first settled by the Irish in the 18th century and now a National Historic Site. **(B/L/D)**

**August 29** Today we will visit the Salmonid Interpretation Centre in Grand Falls-Windsor where staff will inform us about salmon conservation efforts in the central region of the province. After lunch, we will make several scenic photo stops on our way through the mountains of Gros Morne National Park. In Rocky Harbour, we will visit the Gros Morne Wildlife Museum before checking into our hotel. After dinner, we will enjoy an evening of on-site entertainment provided by "Anchors Aweigh", a talented and very funny group of local musicians. **(B/-/D) Accommodation:** Ocean View Hotel, Rocky Harbour (2 nights).

**August 30** We begin the day with a visit to Lobster Head Cove Lighthouse where an interpreter will give us an overview of Gros Morne National Park before we drive north to Western Brook Pond. Today the group will be divided into two, depending on which boat tour you have pre-selected (you will be contacted one month prior to the trip). *Please look at the Bontours website for more information, but the following may also be helpful.* The Western Brook Pond boat tour offers spectacular views of this glacial carved land-locked fjord, with 650 metre cliffs and cascading waterfalls. **Please note: this tour requires walking a gentle 3 km well groomed gravel trail from the parking lot to the dock (and of course 3 km back).** The other choice is the Bonne Bay

boat tour which requires very little walking and allows views of The Tablelands in the southern part of the park (as described above). In either case there will be time for lunch at dockside restaurants prior to your chosen tour. We will come back together at the hotel, for our farewell dinner and an evening of traditional music and fun at a “Newfoundland Kitchen Party”, featuring local musician David Shears. **(B/-/D)**

Room-service, in-room movies and snacks as well as telephone charges must be paid for by the user. Any damage done to public or private property while on the tour will be the responsibility of the person who causes the damage. Laundry facilities are available at many of the hotels.

**Airline Baggage Information:** Luggage size and weight must meet airline regulations. Each person is permitted one full-size piece (included in the tour price), and one carry-on piece. For tours which include luggage handling (see inclusions in the trip descriptions), only one piece is paid for.

**Coach Seating:** Luxury washroom-equipped motorcoaches will be rented from local companies for each tour. Call for details if you wish to know the specific company for each trip. A rotational seating policy will be in effect to ensure equity for all passengers throughout the trip.

**Tipping:** When meals are provided, the gratuity is included, unless specified. Although tips for step-on-guides and the bus driver are customary, they are not included in the tour price and will be left to the discretion of each passenger. Please ask your tour escort for recommended amounts.

**What to bring:** Weather conditions are unpredictable, especially near water. It is a good idea to bring a sweatshirt, a rain repellent jacket and a compact umbrella. A small set of binoculars may also be useful, as well as a bathing suit, since some hotels have pools.

**Passports:** For all international destinations, please ensure your passport is valid for the appropriate length of time after the trip dates (usually 3-6 months, depending on the destination).

**Domestic Air Travel:** A valid passport or driver's license with photo I.D. is acceptable for use by a Canadian citizen travelling by air within Canada. Please note that the I.D. used at the airport must match the information given to Myles Travel (entered on the registration form).

**Conditions of Travel:** It is expected that all passengers are able to operate independently or be accompanied by a qualified assistant. Smoking and use of alcohol are not permitted on any motorcoach. Myles Travel reserves the right to terminate the trip of any member whose conduct is detrimental to the well-being of other passengers. In such a case no refund will be given, and the return fare will be at the person's expense.

**Insurance:** Myles Travel highly recommends the purchase of trip cancellation and out-of-country/out-of-province health insurance. Covid specific coverage is available; please ask for details. On the registration form, indicate your interest in purchasing insurance and an agent will call to give you a quote.

**Tour Cancellation/Cut-off Date:** Myles Travel reserves the right to cancel any tour no later than 31 days before departure, and it will have no other responsibility beyond refunding all fares paid to it by passengers. The cut-off date for joining each tour is stated in the brochure. A deposit is required to hold space and bookings are made on a first-come basis. Please book early to avoid disappointment.

**Exchange Rates/Inflation:** Ontario law permits Myles Travel to add up to a 7% surcharge to the stated domestic tour price (up to 15% on international trips - Portugal), to cover inflation and/or devaluation of the Canadian dollar (or additional tariffs/taxes/levies), from the time the brochure is written. In such a case the customer will be informed before the final payment date so he/she can decide whether to remain on the tour. If a customer wishes to drop out at that point, a full refund of all payments made will be given, less any non-refundable trip related expenses paid by Myles Travel up to that point.

**Payment Policy:** A deposit is required at the time of booking, along with a completed registration form. Check the deposit due date/amount for each tour, and for the final payment due date. **Please make all cheques payable to "Myles Travel Services Inc."** A 3% surcharge for use of credit cards will be levied.

**Cancellation Policy:** In the case of cancellation, the following conditions will apply: 1. Excluding the above exchange rate provisions, deposits are fully refundable up to the deposit due date for each trip. From the deposit due date to the final payment date, deposits are non-refundable. 2. Once final payment has been made (no later than the final payment due date), no refunds will be given.
