The Jane Goodall Collection by G Adventures

G Adventures and the Jane Goodall Institute have unveiled a selection of 20 incredible, wildlife-focused tours endorsed by world-renowned primatologist Dr. Jane Goodall. This collection has been designed to bring you into close, larger-than-life contact with the world's animals, while at the same time, respecting their freedom.

Meet the giant tortoises of the Galápagos Islands, observe gorillas in the jungles of Uganda, sail up the Amazon River on a small riverboat for a wildlife adventure you'll never forget – and so much more!
